It just seems that everyone I talk to lately is experiencing winter fatigue. Even my consulting client that has had a banner year doing over a million dollars last year in corporate snowplowing and landscaping (mostly snowplowing) has informed me that he is "so done with winter."

Many of you have commented or inquired about Easter being early this year. Not really. It just came rather late last year. We have had both earlier and later Easters. Well here is how it was decided. We can thank our Pagan friends in part for this. In 325CE the Council of Nicaea established that **Easter** would be held on the first Sunday after the first full moon occurring on or after the vernal equinox. From that point forward, the **Easter** date depended on the ecclesiastical approximation of March 21 for the vernal equinox.

Here is what I know for sure. Spring and Easter are here even though it may not feel like spring at this moment. I heard a couple church folks discussing how many robins that have already seen (none at my house yet) and my neighbor mentioned that she already has crocus' and I noticed little green sprouts popping up from beneath the cold earth as I walked through thinking about my gardens. It must be spring!!

As we finish this Lenten season the end of March and enter Easter, remember it is just like the transition from winter into spring. During what seems to be the endless cold dark days of winter, we start to experience the new life that rises up from what we once were sure was dead. That is what the Easter season offers us as well, to seek and experience new life, new life in our congregation and new life for ourselves.

This Lenten season was a powerful season for me as I hope it was for you, filled with reflection, preparation and discernment. We spent time this Lenten season considering our own personal journey through the wilderness into Jerusalem. We prayed about what we bring to the cross and more importantly, what resurrection and transformation we have come to expect in our own lives this Easter. Over the past weeks, we have been talking about discovering the Christ within us, to be the resurrected, living Jesus we know God has called us to be.

As we come into spring, expect the miracle of new life. Expect to be transformed. Again, that is what Easter is all about. Some miracles are large, and some are small, some require that we look for them. A number of them even require that we work to reveal them. However, if we do look, if we keep expecting them and are willing to do what God asks us to do; those miracles will just keep coming.

I am excited about what this Easter season has in store for us all, personally and as a community in Christ. I encourage you to keep your heart, mind and spirit open. Let us plan together, pray together, and work together. Let us prepare to be transformed.

I invite you all to participate in the Holy week services including Maundy Thursday, Good Friday, the Great Easter Eve Vigil and affirmation and of course Easter morning Communion service. Invite those you have missed to join us and share in this time of personal transformation and renewal.

Take care and be well, Peace  
Pastor Ken

## Easter Blessings

### A Prayer for Easter Eyes

My Lord, Jesus,  
You have risen to new life!  
Give me new eyes with which to recognize  
your presence in the world around me.  
Sharpen my vision so that I see beyond the  
ordinary events of each day and into the  
extraordinary reality of your grace.  
Brighten my view of the world with renewed  
hope in the coming of your Kingdom.  
Soften my gaze so that I view others with the  
kind of tenderness and compassion you  
showed to so many.  
May each day of this Easter season provide  
glimpses of your glory.  
In your sacred name, I pray.  
Amen.

## Christmas Shoeboxes

We will be sewing the rest of the tote bags needed (82) to insert in the shoeboxes after services on Sunday, April 15. You do not need to be able to sew to help, we will need people to cut, iron and thread the draw strings for the bags. All donations of material will be welcomed. Pot luck luncheon also will be served.

We collect the below items for boys and girls from the age of 2 to 14 years old. Our goal is to fill 100 boxes by November 2018 without running out of items. April 2018 collection is soap, washcloths, combs, toothbrushes. Items accepted anytime are: hat, gloves, socks, toys, school supplies (pens, pencils, erasers, pencil sharpeners, small note books, glue, crayons), hygiene items (soap, washcloths, combs, toothbrushes, floss), headbands, barrettes and bows.

We can no longer provide toothpaste, toy guns or army men, paint sets and glue bottles.
